RFID LABEL LB004

LB004 is a flexible and adhesive paper RFID label. Round in shape, it has a diameter of **40 mm, 0.27-mm thickness**, and is designed for application on non-metal surfaces. Printing and serial numbering are applied using offset or inkjet technology for colour and black-and-white prints, and thermographic printing for black-and-white prints.

LB004 is white and available in **HF with the MIFARE CLASSIC 1K EV1 S50 chip.**

MARKETS
The LB002 RFID label is suitable for proximity readings in **logistics and asset management, inventory management and access control.**
